Helpful Tips

To increase your view of the orders screen, Soarian can be maximized using this button in the upper left corner

- Use the Collapse button in the upper left corner to minimize Soarian and return to the Physician Portal view

If the “Add” and “Add & Close” buttons are grayed out, that means that all required orders have not been placed within an order set.

- If this occurs, be sure to scroll through the order set you’re currently using and look for the order that has not been placed.
- Once selected, you will be able to add and sign your orders.
